To the Secy of
Corcoran Gallery
Dr Sir.

Dr. Adams of New York had a conversation with Mr. Corcoran or yourself about a picture belonging to me & which I am anxious to dispose of as it is too large for a private dwelling. The dimensions are about 14 × 4½ feet.

It is an original & has

been in the Metropolitan Museum both in their old + New buildings. I have lately had it removed from the latter. for the reason that I must dispose of it.

I have a Photograph + will send it to you by same mail as this.

I would like very much to have you see it; as the coloring of the painting is most beautiful.

Please let me hear from you as soon as possible

Yours &c

Dear Sir

We are very much surprised to hear that the work of decorating the four pictures Galleries, has been already executed by a decorator of your city. We feel that we have not been honerably treated in this matter, if the committee decided to have another artist execute the work, they should have returned our disigns immediately with a statement of the fact,

Yours Respectfully
V. G. Stiepevich & Co.

P. S. Will you be so kind as to send to us our disigns,
